## LAWS AND REGULATIONS.

---

### I.—NAME AND DESIGNATION OF INCORPORATION.

The Incorporation shall be known, as heretofore, under the name and designation of the Incorporation of Weavers of Glasgow, and shall be governed, in time coming, as hereinafter provided for.

### II.—ENTRANTS.

All applicants must be Burgesses and Guild Brethren of the Burgh of Glasgow, and produce their certificates as such on making their applications. Every person applying for admission as a member shall produce a certificate of his birth, or, failing this, make a declaration of age agreeably to a printed form to be furnished by the Clerk. These require to be lodged with the Clerk prior to the meeting of the Master Court at which the application is to be considered.

*Far-Hand.*—Applicants at the Far-Hand are those who have had no previous connection with the Incorporation.

*Near-Hand.*—Subject to the qualification hereinafter mentioned eligibility to seek admission to the Incorporation at the Near-Hand is confined to Sons and to Husbands of Daughters of Members or deceased Members. In the case of a Husband of a Daughter eligibility will cease on the death of a daughter through whom admission might have been sought and is in any case confined to the first husband of such daughter. Children of Sons-in-law by any other marriage than with a Member's daughter are not eligible.

Admission at the Near-Hand must be sought before an applicant has completed his forty-fifth year. After an applicant has completed his forty-fifth year he will still be eligible to seek admission but if admitted his admission shall only be on such terms and conditions as the Master Court think proper; but a Son-in-Law shall in all cases be eligible to seek admission within ten years from the date of his marriage to the Daughter of a Member provided such daughter is alive at the date of such application for admission. Apprentices of Members of the Incorporation in business as Weavers whose Indentures

have been booked with the Clerk of the Incorporation within three months of their date shall be eligible to seek admission as Members at the Near-Hand on the termination of their apprenticeship.

Each applicant shall before admission satisfy the Master Court as to relationship and age and upon all other matters referred to in the application form or as may be deemed necessary by the Master Court. All Members must have been entered with the Incorporation a year and a day before any of their Sons or Sons-in-Law can be admitted.

*Far-Hand and Near-Hand.*—Every applicant, whether at the Far-Hand or at the Near-Hand must, before admission, be approved of by a majority of the Master Court present when he is proposed for admission, and the Master Court shall have absolute power to admit or reject the applicant without reason assigned or given.

The applicant, if found qualified, shall, upon payment of the Entry Money as specified in the Schedule annexed, or on payment of such Entry Money as may from time to time be fixed by the Incorporation, be admitted a Member of the Incorporation, and to all the liberties and privileges thereof.

All persons joining the Incorporation shall be bound by the Rules and Regulations thereof in force for the time being.

### III.—OFFICE-BEARERS AND MANAGEMENT.

#### 1.—*Office-Bearers.*

The affairs of the Incorporation shall be managed by a Master Court consisting of the Deacon, Collector, Late Deacon, Late Collector, and twelve Masters, in all sixteen. The election shall take place as after provided, at a General Meeting of the Members specially convened for that purpose, on the first Friday after the 15th September in each year.

#### 2.—*Deacon.*

Any Member of the Incorporation eligible to be elected to the office of Deacon must have held the office of Collector for at least one year, and been honourably discharged of his intrusions, and been a year out of that office. The Deacon shall hold office for one year, but may be re-elected.

#### 3.—*Duties of Deacon.*

The Deacon shall act as Chairman at all Meetings of the Incorporation and Master Court, at which he is expected to wear his official medal and chain.

In the absence of the Deacon, the Late Deacon shall preside, and failing them the Meeting shall elect a Chairman for the time being, who must be a Member of the Master Court, and the Deacon, or the person acting as Chairman, shall, besides a deliberative vote, have also a casting vote in all cases of equality. The Deacon shall have power in any urgent case to grant a precept, not exceeding Five Pounds.

#### 4.—*Collector.*

Any Member of the Incorporation eligible to be elected to the office of Collector must have been for one year at least a Member of the Master Court. The Collector shall hold office for one year, but may be re-elected.

#### 5.—*Duties of Collector.*

The Collector shall be responsible for the whole money transactions of the Incorporation, and shall keep or cause to be kept by the Clerk regular and distinct Accounts.

The Collector shall, annually as at the 15th day of August, make up or cause to be made up by the Clerk, a correct statement of his intrusions, embracing an account of the Revenue and Expenditure during the preceding year, a Stock Account and an Abstract or Balance, exhibiting the whole properties and monies belonging to the Incorporation, which shall be examined and compared with the relative vouchers by an Auditor who shall be a Member of the Institute of Accountants and Actuaries in Glasgow appointed by the Master Court, and said Statement together with the Auditor's Report thereon shall be submitted to the Meeting of the Incorporation in September.

#### 6.—*Representatives to the Trades House.*

The Incorporation being entitled to send four Representatives to the Trades House, of whom the Deacon and late Deacon are two, *ex officio*, the other two shall be elected at the General Meeting in September, and must be Members of the Master Court. One of the Representatives shall also be elected at said Meeting to be a Member of the Trades House Committee on Education. The Deacon shall be the Member for the Incorporation of the Trades House Committee on Buildings.

In the event of the re-election of the Deacon, the Late Deacon shall be eligible for re-election as one of the four Representatives to the Trades House.

Representatives who have been elected Deacon Convener or Collector of the Trades House, must be returned as Representatives so long as they hold such offices, or are entitled to sit in the House as Late Deacon Convener or Late Collector.

7.—*Qualifications of Deacon, Collector, and Trades House Representatives.*

It shall not be lawful to any person who now is, or who shall hereafter be, a Member of the Incorporation, to hold office as Deacon, or to be elected a Representative of the Incorporation to the Trades House, or a Member of the Trades House Committee on Education, unless he is a Burgess and Guild Brother of Glasgow *qua* Weaver, or shall have paid, or shall pay, to the Collector of the Trades House, two guineas or such other sum exigible at the time as the Entry Money to the funds of the House. Representatives to the Trades House must have a dwelling house or place of business within the Municipal boundaries of the City of Glasgow, as defined by Act of Parliament.

8.—*Election of Office-Bearers.*

The election of Office-Bearers shall be conducted in the following manner :—

1. The five Masters at the top of the preceding year's list of Masters shall annually retire but shall be eligible for re-election.

2. At the General Meeting of the Incorporation on the first Thursday in August, Members of the Master Court, duly qualified, shall be proposed and seconded for the respective offices of Deacon and Collector, and Members of the Incorporation shall be proposed and seconded to fill the vacancies in the Master Court.

3. In the event of there being only one nomination for each of the offices of Deacon and Collector respectively, and only five nominations for the Master Court, the nominees shall at the Annual General Meeting in September be declared duly elected to the respective offices for which they have been nominated; and in the event of there being more nominations for such respective offices, or any of them, than there are vacancies, the names of the persons so nominated shall be printed on a slip of paper and a copy of the slip shall be handed to each Member of the Incorporation on the qualified roll present at the Annual General Meeting in September. Each Member present shall mark with a X the person in the case of the election for Deacon and Collector for whom he desires to vote, and the persons, not exceeding five in the case of the election for the Master Court, for whom he votes, and shall in all cases sign the slip which shall be handed in to the Clerk at the meeting. Votes shall be counted by two or four scrutineers appointed at the Meeting, and the person or persons having the greatest number of votes shall be declared by the Deacon as elected to fill the vacancies in any of the offices which are the subject of the election. The Deacon shall thereafter, by virtue of his office, elect two Members of the Incorporation to serve in the Master Court for the ensuing year as Deacon's Masters.

The order of election at the Annual General Meeting in September, shall be (first) for the office of Deacon; (second) for the office of Collector; and

(third) for the Master Court. In the event of one of the nominees for election to the Master Court being chosen as Collector, then the meeting shall only elect four Masters. If there be only one nominee respectively for either of the aforesaid offices of Deacon or Collector and such nominee dies or withdraws or becomes for any reason ineligible for election between the date of nomination and the Annual General Meeting in September, then other nominations may be made at said Annual General Meeting, and thereafter an election shall, if necessary, immediately take place in manner as hereinbefore provided.

4. Two Representatives to the Trades House from the Master Court shall be elected at the Annual General Meeting, and one to represent the Incorporation for the year on the Trades House Committee for managing the Gorbals Lands.

5. A Representative to the Trades House Committee on Education shall be elected from among the Representatives to the Trades House.

6. The Qualified Roll, consisting of all free Members, viz., those who have been joined a year and a day, and are not recipients from the funds, shall be laid upon the table at the commencement of the Meeting, and no person shall be entitled to vote whose name shall not appear on said roll. No minor shall be qualified to vote, or hold office in the Incorporation.

7. On the election of a Member to the office of Deacon, Collector, or Master of the Incorporation he shall, on accepting said offices, take the oath *de fidei*, as use is.
